Network IQ... *The Application Aware Network*

As the evolving enterprise includes smart device applications, it is essential to understand conversations in context...

What if your network had a higher IQ...

...a network fluent in applications?

Bring this coupon to booth #1359, or attend any or all three of the free seminars sponsored by Alcatel-Lucent to find out. And be entered into the drawing for the hottest new switch in town.

Are you ready to raise your Networks' IQ? Talk to your Alcatel-Lucent Enterprise representative today. ▶
